Software Development
Front-end Development

Carlos Hernandez

Full-Stack Developer
Provo, Utah Area

Summary

Front-End and Back-End Developer. Recently earned a certificate in Full Stack Development from the University of Utah, with newly developed skills in JavaScript, CSS, React.js, and responsive web design. Known as an innovative problem-solver passionate about developing apps, with a focus on mobile-first design and development. With each project, my aim is to best engage my audience for an impactful user-experience.. Excited to leverage skills in the future as part of a fast-paced, quality-driven team in order to build better experiences on the web.
